Re: Great Western Cellular Holdings, L.L.C.  
Response to Request for Certification of CPNI Filing  
EB-06-TC-060/EB Docket No. 06-36

Dear Ms. Dortch:

This letter is being submitted in response to the Enforcement Bureau's January 30, 2006 Public Notice directing all telecommunications carriers to submit a compliance certificate to the Commission pursuant to Section 64.2009(e) of the Commission's rules.<sup>1</sup> Great Western Cellular Holdings, L.L.C. ("Great Western") holds cellular license WPSJ612, the A Block license for the Minnesota 11 – Goodhue Rural Service Area. Great Western currently leases all of its spectrum pursuant to a spectrum manager lease agreement with WWC Holding Co., Inc.<sup>2</sup> Great Western does not provide telecommunications services and therefore is not a "telecommunications carrier" for purposes of the Communications Act and the FCC's rules. Great Western thus is not subject to the CPNI compliance certification requirement set forth in Section 64.2009(e).

Please contact the undersigned with any questions.

Sincerely,

Carla S. Levesque  
President and Managing Member  
Great Western Cellular Holdings, L.L.C.
